² Available as optional equipment.

FOR A LIFE WITH A DRIVE.

SPORTY DESIGN OCCUPIES SPACE. THE BMW 2 SERIES ACTIVE TOURER AND THE BMW 2 SERIES GRAN TOURER SHOW SIZE AND AT THE SAME TIME ESPECIALLY LOOK VERY GOOD. THEY OFFER LOTS OF SPACE FOR YOUR ACTIVE LIFESTYLE, WITHOUT NEEDING TO SUBSTITUTE ANYTHING ELSE FOR IT: NEITHER IN THE BMW TYPICAL DRIVING DYNAMICS OR IN THE SPORTY AND EXPRESSIVE DESIGN.

IN ADDITION, YOU BENEFIT FROM FLEXIBILITY THAT ADAPTS TO YOUR NEEDS. REGARDLESS WHETHER YOU TRAVEL WITH SEVEN PEOPLE^{1,2} OR LOTS OF LUGGAGE: THE FUN DOESN'T REMAIN ON THE TRACK, BUT IS IN THE CENTRE – IN THE FRONT LEFT-HAND SIDE ON THE DRIVER'S SEAT. EXPERIENCE SPORTY FUNCTIONALITY.
IN THE BMW 2 SERIES ACTIVE TOURER AND THE BMW 2 SERIES GRAN TOURER.

EQUIPMENT HIGHLIGHTS.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

Standard equipment Optional equipment

When open, the Panorama glass roof provides a great deal of fresh air. Closed, it creates a bright, light-flooded atmosphere in the interior. It opens and closes completely automatically at the push of a button, or via the remote control, and is equipped with slide and lift functions, a roller sunblind and wind deflector.

The third row of seats⁵, with two individually foldable and forward-facing seats, offer room for two additional passengers. To ensure good access, the second row of seats can be folded forwards with the Easy-Entry function.

The through-loading system with rear seat backrests that can be folded down in a 40:20:40 split, guarantees flexibility when transporting bulky objects.

Adaptive LED headlights with low-beam and high-beam headlights include LED turn indicators, BMW Selective Beam and Adaptive headlights.

The light generated by the LED fog lights is very similar to daylight and enables the driver to see better and drive more safely in inclement weather.

The 7-speed Steptronic^{1,2} transmission with double clutch technology offers particularly smooth gearshifts and outstanding driving comfort, all with low fuel consumption.

Thanks to its tightly spaced gear ratios and fast engine speed transitions, the 8-speed Steptronic transmission ensures greater driving comfort, smoother gearshifts and low fuel consumption.

The full-colour BMW Head-Up Display^{6,9} projects all relevant driving information onto a panel in the driver's field of vision, which means they can remain focused on the road. Current speed, directions from the navigation system, Speed Limit Info incl. no-overtaking indicator and telephone and entertainment lists, among other things are displayed.

Navigation Plus⁷ features a BMW Head-Up Display, an iDrive Touch Controller, a built-in 8.8" touch display and an instrument cluster with high-resolution 5.7" TFT display. The system is operated intuitively using either the iDrive Touch Controller, the direct menu control buttons and six or eight functional bookmarks, voice control or the touchscreen with interactive tiles.

The Rear view camera⁹ enables improved orientation when reversing at speeds below 15 km/h, for example when parking. It shows the area behind the car on the Control Display. Interactive track lines for measuring distance and turning circles assist you when manoeuvring. Obstacles are marked in colour.

Telephony with wireless charging³ offers a comprehensive telephony package with Bluetooth connectivity and the technical capacity for a WiFi hotspot.

The equipment includes a built-in WiFi hotspot⁴ using the LTE standard, which allows for a paid Internet connection.

The Driving Assistant Plus^{8,9} equipment provides a clear improvement in safety and comfort. It includes the Approach control and Person warning with light city braking function, Lane Departure Warning, High-beam beam assistant, Speed Limit Info, Camera-based cruise control with Stop&Go function as well as Traffic jam assistant.

The Parking assistant¹⁰ makes parallel parking easier. The system works by measuring potential spaces while driving past them at a low speed. When a suitable space has been found, the Parking Assistant takes over steering, while you are responsible for selecting the correct gear, as well as pressing the accelerator and brake.

¹ Only available for 216d and 218i Gran Tourer and Active Tourer.

² Standard for 220i Gran Tourer and Active Tourer.

³ Supports inductive charging for Qi-compatible mobile phones. Special charging cases are available from Original BMW Accessories for selected smartphones that do not support the Qi standard for inductive charging.

⁴ The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

⁵ Only available for BMW 2 Series Gran Tourer.

⁶ The information in the BMW Head-Up Display is not fully visible when viewed through polarised sunglasses. Content shown will depend on the equipment options chosen. Further optional equipment is required to display specific items.

⁷ As part of BMW ConnectedDrive, in selected European countries, the system automatically updates maps for three years up to four times per year without incurring licensing fees. Please consult your local BMW partner for more information.

⁸ Function may be limited in darkness, fog or bright glare.

⁹ Only available in conjunction with additional equipment.

¹⁰ Only available in conjunction with Park Distance Control (PDC). Some ConnectedDrive Services may differ between countries.

EXTERIOR COLOURS.

WHEELS AND TYRES.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

18" light alloy wheels Star-spoke style 512 with run-flat tyres, 8J x 18 with 225/45 R18 tyres.

16" light alloy wheels V-spoke style 471^{1,2} in Reflex Silver, wheel size 7J x 16, with 205/60 R16 tyres.

16" light alloy wheels Double-spoke style 473^{1,2} Reflex Silver, wheel size 7J x 16 with 205/60 R16 tyres.

16" light alloy wheels turbine styling 472^{1,2}, BMW EfficientDynamics, Orbit Grey, gloss-lathed, wheel size 7J x 16, 205/60 R16 tyres.

17" light alloy wheels Double-spoke style 385 Reflex Silver, wheel size 7.5J x 17 with 205/55 R17 tyres.

17" light alloy wheels V-spoke style 479³ in Reflex Silver, wheel size 7.5J x 17 with 205/55 R17 tyres.

17" light alloy wheels Multi-spoke style 546, wheel size 7.5J x 17 with 205/55 R17 tyres.

18" light alloy wheels Y-spoke style 484 with runflat tyres, Ferric Grey, gloss-lathed, wheel size 8J x 18, with 225/45 R18 tyres.

ORIGINAL BMW ACCESSORIES.

Standard equipment Optional equipment Accessories

This contemporary roof box in Black with titanium silver side trims has a 420-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking.

19" BMW M Performance light alloy wheels Double-spoke style 766 M in Bicolor black matt, bright turned. TPMS summer complete wheel set with run-flat tyres.

The Head-Up Screen puts vehicle information and, in combination with a smartphone interface, navigation information into the driver's line of sight.

The universal holder is adjustable in terms of size and it is snapped into position into the basic carrier of the Travel & Comfort System that is available separately. It provides a secure hold for a wide range of Apple and Samsung tablets from 7" to 11" with Travel & Comfort tablet safety case. It can be rotated through 360°, tilted and fixed in the desired position.

The durable, anti-slip, water-resistant fitted mat with raised borders on all sides protects the luggage compartment from dirt and moisture.

The perfectly fitted, all-weather floor mats with a raised border and elegant design protect the front footwell against moisture and dirt.

The foldable Compact rear bike rack is light but sturdy and can carry up to 60 kg. It can be quickly and securely mounted on the tow ball and transport up to two bicycles or e-bikes. When folded up, it can be stored in the luggage compartment tray, safe from spray and protected in the event of a collision.

¹ Not available for 220i, 218d, 218d xDrive, 220d and 220d xDrive Gran Tourer.

² Not available for 225i xDrive and 225xe iPerformance Active Tourer.

³ Standard for 220i, 218d, 218d xDrive, 220d and 220d xDrive Gran Tourer.

BMW 220i ACTIVE TOURER WITH SPORT LINE:

BMW TwinPower Turbo 4-cylinder petrol engine, 141 kW (192 hp), 18" light alloy wheels in Star-spoke style 512, exterior colour in Sunset orange metallic, seats in Cloth/Sensatec combination Anthracite with orange accent, interior trim finishers in Aluminium, finely brushed lengthwise with highlight trim finishers in Pearl Chrome.

BMW 220d xDRIVE GRAN TOURER WITH M SPORT PACKAGE:

BMW TwinPower Turbo 4-cylinder diesel engine, 140 kW (190 hp), 18" M light alloy wheels in Double-spoke style 486 M, exterior colour Estoril Blue metallic, seats in leather Dakota Black with highlight in Blue, interior trim finishers in Aluminium Hexagon with highlight trim finishers in Pearl Chrome.

BMW 225xe iPERFORMANCE ACTIVE TOURER WITH SPORT LINE:

BMW TwinPower Turbo 3-cylinder petrol engine and electric motor with a system output of 165 kW (224 hp), 17" M light alloy wheels in Double-spoke style 549, exterior colour in Glacier Silver metallic, seats in leather Dakota Oyster with highlight in grey, interior trim finishers in Aluminium, finely brushed lengthwise with highlight trim finishers in Pearl Chrome.

The models illustrated in this brochure show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this brochure, may occur after 03/16/2018, the date when this brochure went to press, or according to the specific requirements of other markets. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.
